WELCOME!

“Tempus Fugit – Time flies.”

A lot of water has flown under the bridge but there is a lot more yet to flow.

The month of July has whizzed past.....

And it is that time of the month when we pen our efforts to keep you informed about various events and the moments of crowning glory.....

Read on and catch a glimpse of Jubilant July!

ALUMNI ADMISSIONS

Alumni Admissions into Colleges/Universities:

Our Grade 12 students (Batch of 2016-17) have cracked some of the most difficult entrance exams for Economics, law, architecture, design, engineering, medical & dental streams and gained admission into prestigious colleges both in India and abroad. They have scored excellent ranks in the CET for medicine & engineering and have also done well in the entrance exams for entry into IITs, BITS & NITs. A list of many of our students who have made it to different universities in India and abroad is given below:

Foreign Universities:

- | | |
|---------------------|-----------------------------------|
| • Amon Bhattacharya | Durham University |
| • Harish rishnan | Purdue University, USA |
| • Meera Manoj | Carnegie Mellon University, USA |
| • Nikhil Idiculla | University of California, LA |
| • Rachit Malik | UBC, Canada |
| • RichaNahata | University of Oxford, UK |
| • RohitDraksha | UMASS Amherst |
| • Sanjan Das | Cambridge University, UK |
| • VikramSekhar | University of Warwick, England |
| • ViswajeetBalaji | Purdue University, USA |
| • Shrey Arora | University of Washington, Seattle |

Indian Universities/ Colleges:

- Ajay Anand St. John's Medical College
- Melvin Mathews St. John's Medical College
- Arundhati Prasad Kasturba Medical College, Manipal
- Surabhi Agrawal St. John's Medical College
- Vindhya Sridhar Kasturba Medical College, Manipal
- Rohan Kulkarni IIT Madras
- Derrek Shawn M. BITS Pilani
- Prateek Mahajan BITS Pilani, EEE
- AkshataKabra School of Planning & Architecture, Delhi
- SangeethaRamnath NID, Kurukshetra
- AsmithaPrabhu CMR University
- Shreya Sridhar CMR school of Architecture
- TejasVaid BITS, Hyderabad
- GarvitaGulhati PES Univesity
- Varun Komperla RV College of Engineering
- AnoushkaM. Christ University
- DeekshaShravani RV College of Engineering
- Medha Manish Ashoka University

ACHIEVEMENTS

Inter- School Events

1. **Scholar's Cup** –The global round of World Scholars Cup 2017 was held in Athens, Greece from 19th to 23rd July. The global curriculum explored the theme of an “Unlikely World”, spanning across subjects like Science, Music, Literature and Social Studies through debate, quiz, essay writing and MCQ contests. The event witnessed participation by over 300 teams from 41 countries.

The team comprising AniketSanghi, Neha Sharon Jacob and Aditi Koul from Grade 11 bagged the 1st Place in South- Asia and 4th position overall. The team stood 1st in the Scholars Bowl, a quiz event. Aditi Koul won a trophy for the 10th Best Scholar in the MCQ round. They were showered with several individual gold and silver medals for their stupendous achievements. By qualifying for the ‘Tournament of Champions’ at Yale University, they have added yet another feather in the NPSK cap. Kudos to the young achievers!

2. **Youngest Innovators Award - 3 M India** in collaboration with CII provided a platform for young adults between the ages of 18 to 32 to put across practical, innovative ideas that have the potential of bringing about social change across the country. '**Empower - a NPSK initiative**', found its way among 350 projects from across the country to receive a special commendation. At a summit held on 13th July 2017, our students **Tanvi Desai, Anvita Nigam** and **KanikaMittal** from Grade 12 received the '**Youngest Innovators Award**', a special award and the team was felicitated with cash prize of Rs 20,000, for their program Teach power. The team, unfortunately, could not make it to the finals due to age constraint. It was nevertheless an amazing initiative and learning experience.

3. **HMUN** - The Harvard International Relations Council selected and invited **Muhammad AamirAnees of Grade 12 B** to serve as Assistant Director for the Constituent Assembly of Myanmar Committee at the **Harvard Model United Nations Conference China 2017**. It was organized in Beijing between 16th and 19th March, 2017. The conference welcomed delegates from various countries across the world to discuss several pressing international issues-a 'truly enriching and rewarding experience'".

7

4. Held on 26th July, the **Presidency Challenge** witnessed 200 plus schools from across India battling with great passion coupled with immense talent in various events. In **Your Big Idea Challenge** participants faced several rigorous rounds of interviews while presenting their respective ideas. A business proposal-an application that motivates students to take tests, thereby solving problems faced by students in day to day life- put forth by **Karan Khanna** and **Meera Harish** from **Grade 12** was adjudged the **Best Idea of the event**. They received a rolling trophy, novels and a tab each.

5. **Catch Them young(CTY) by Infosys** : With the aim of exposing youth to the World of Information Technology, Infosys conducts CTY every year, for students from Grade 8 going to Grade 9, across Bangalore. 6 of our students (currently in Grade 9) -**Vinayaka. M, Pragya Gupta, SanatKurughanti, Rudraksh Gulati, A.Vishwajeet and A.P. Vaideeswaran** made it to the summer training workshop held in April 2017 at Infosys. Only 40 students from across the city are selected for this prestigious program.

6. CBSE Cryptic Crossword Contest (CCCC) is a prestigious inter-school, National Level contest open to students of grades 9 to 12. 34 schools from across Karnataka participated in the Regional Round conducted in our school on **29th July 2017**. NPS-Koramangala walked away with the Winners & the Runners- up trophies! **The winners- Aditi Koul (11B) and RidaShafeek (12 A)** -completed the 1 hour written round of the cryptic crossword in a record time of just 7 minutes , while **the Runners- up team comprising Abhinav Menon and PrarthanaBalakrishnan of 10 A** completed the crossword in 17 minutes. Aditi Koul and RidaShafeek will represent our school at the National Level scheduled for the month of December 2017 in Delhi.

7. **Computer Society of India (CSI)** encourages in school children, problem solving and Programming talents with speed, accuracy and team co-ordination in a competitive environment. To achieve this, CSI works with SEARCC (South East Asia Regional Computer Confederation) towards conduct of an International Schools' Software Competition (ISSC) every year at one of the SEARCC countries. To select Indian teams for the International event, they conduct programming competitions among teams from schools across India in a two step process consisting of Regional and National level selections. The **Regional Level** competition in Bangalore was of two hours duration, consisting of 4 problems using one of the Programming languages, viz., C or C++ or Java. The team comprising **Chinmay.S.I., Chinmay Mahesh and SiddharthGautam of 12A** cleared the Regional Level and were **selected for the National Level** which was conducted on 6th August in Chennai. They were placed 4th at the National Level.
8. The commerce fest **Resurgence** was held on 7th July at the Bishop Cotton Boy`s School. Around 900 students from 32 schools participated in the event. Our students secured the 3rd position in the overall rankings. The winners who brought home laurels are:
- The team consisting of **Meera Harish, Karan Khanna, Nikita Nachnani and Rishab Nair** from **Grade 12** were **victorious** in 'Corporate Warfare'.
 - The Game of export and import 'Impex' saw **Advait Kulkarni, Saiguru (Grade 12) and Ubaidullah (Grade 11)** emerge winners.
 - **Prithika Ramaiyer and Rahul Bhattacharya (Grade 12)** bagged **2nd Place** in Shark Tank.
 - **A. Krishnadithya and Rohit Kaushik (Grade 12)** placed **2nd** in the Legal event 'Fallout'
9. **NPS HSR MUN** – was conducted on the 21st and 22nd of July 2017. The conference comprised more than 180 delegates from 20 schools. The NPS KRM delegation consisted of 9 members. **Niveditha S Iyer (10C)** won **Honorable Delegate** representing Satya Nadella at the World Economic Forum and **Shubhangi BK (10C)** was awarded **Honorable Delegate** as the representative of Iraq in DISEC

10. The preliminary round of **War of Words** was held on 22nd July, where participants went through a 3 round selection process comprising an extempore, an interview and a group discussion. **Advaith Suresh** from **Grade 10** was among the eight participants, from among 30 contenders, who made it to the Finals held at NIIMHANS Convention Hall, on the 26th of July, 2017. He received a Memento and Scholastic book.

11. **SishuGriha MUN** was conducted between the 27th and 29th of July 2017. The 3 day conference saw 200 delegates from 15 schools enthusiastically participate in various committees. We had sent a delegation of 8 members. **SankalpKundu (10B)** won **Honorable Delegate (2nd Place)** representing the Republic of Italy in DISEC and **Dhruv Gopal (10C)** received a **Special Mention** as the delegate of Italy in ECOSOC.

12. Inceptra, a Commerce fest was conducted on 28th of July, at NPS, HSR. 8 schools participated in the fest. Students from grades 11 and 12 represented our school and we were placed **second** overall. The various winners are as follows:

- In the Fashion Show 'Exroza', our team comprising **Karan Khanna, Anvita Nigam, TaarusshWadhwa, Sanskriti S, EbbaniLenka** from **Grade 12** and **Siddhant Sharma, PalakPariawala, Himanshi Gupta** from **Grade 11** stood **first**.
- **Meera Harish** and **Rahul Bhattacharya** from **Grade 12** were crowned winners in **Elevator Pitch (Shark Tank)**
- In the Mock Stock event 'Toros', the team consisting of **Nikita Nachnani, Saiguru S** and **ManasMinoor** from **Grade 12** won the **coveted first place**.
- 'Avant Garde' - a journalism, marketing and photography event saw **Chandana Satish, MaithreeVenkatesan** and **Maitreyi Kale** from **Grade 12** walk away with the **second** place.
- In 'Rock it like Rockefeller', the team comprising **Advait Kulkarni(Grade 12)**, **AmanSingla** and **Aditya Mishra (Grade 11)** bagged the **third** position.

13. Small Hand Big Art Foundation, in collaboration with Lalit Kala Akademi and JJ Institute of Applied Art organized the **Annual Art Olympiad 2016-17**. **HarshaaMahapatra** from **Grade 10**, **KurchiMitra** from **Grade 11** and **Pragya Gupta** from **Grade 9** won prizes in their respective categories. Each of them was awarded a certificate and cash prize of Rs 2,000 for their paintings. Pragya Gupta received Rs 4000 since 2 of her paintings were selected. Their works were displayed at the renowned JJ Institute of Applied Art Mumbai, on the 27th and 28th May 2017.

14. **ASKQUANCE** - On 30th July 2017, Karnataka Quiz Association, conducted a quiz at the Institute of Agricultural Technologies, Bangalore. In the High School Category **Athul M.S and Shashank Jayant, Grade 9** came **third** from among 40 teams. **They won certificates and cash awards of Rs.500 each.** In the Middle School Category for Grades 5-7, **Rishi Rajesh and SpandanShee of Grade 5** put up a great challenge to all finalists, in a 3 round gruelling session. The duo received gift vouchers.

15. **Deccan Herald Quiz:** was conducted at Bal Bhavan Auditorium on the 26th of July 2017. There were 50 teams from schools all around Bangalore. **Nikita Kiran and PradyunGoel of Grade 8** were placed **third in the senior category** winning a gift voucher of Rs.300

SPORTS

- **Sindhi School Basket Ball Tournament** for U-14 Boys and Girls was held between 20th and 22nd July. 16 schools participated in the tournament in which the NPS KRM, Boys' Team comprising **Ruchit D, Abhinav S, Avi V, Samarth P, Rohan N, Pradyun G, Aadit C, Aditya M, PrithviKochar, Vedansh Pandey, Saarang S, and Priyam R** emerged winners.

- **Aditya Raj** of Grade 8 won the Boys **Under 17** won the **Mekhala Subedar Squash Tournament** conducted in DayanandSagar University on 31st July.

- A friendly Basket Ball Tournament between NPS HSR and NPS KRM for both boys and girls was held at NPS HSR on 29th July. A short pre match orientation was conducted by our Sports Teachers to explain the nuances of the game.

MAJOR EVENTS

- *Where there is a will there is ALWAYS a way! If children decide to achieve something no force on earth can stop them!* This is the moral of the story, scripted & directed by the zany yet determined students of NPS-Koramangala, titled 'A Newspaper Collection Drive Like None Other' which was held in school between the 10th July and the 17th of July. Being an inter-house event, students enthusiastically (almost to the point of craziness!!!!) brought in as much paper as they could, to carry their respective Houses to victory. **With close to 17 tons collected**, the event was a resounding success, to say the least. For more than a week the corridors and grounds of NPSK were overflowing with newspaper bundles and piles of magazines. Cartloads of newspapers were brought to school each day in SUVs and suitcases as the students vied to outdo each other! The **Explorers** bagged the **top spot** with a contribution of **5.47 tons**, closely followed by the **Challengers** with **5.07 tons**. The **Voyagers** were in the third spot with **3.83 tons** followed by the **Pioneers** with **2.4 tons**. The amount of Rs 1.39 lakhs raised through the initiative will be used to help underprivileged kids as part of the TAGE (Towards a Greener Environment) and STRIVE benefits.

- **Students for Students (SFS)** In order to promote education, empathy, and awareness among children SFS was started in the month of July as an experiential venture for a few students of Grades 7 & 8. The programme involves a sustained, continual and multi-year interaction between the students of our school and those from across different socio-economic backgrounds in a government school identified for the purpose. Our Grade 7 students will be guiding Grade 3 students while our Grade 8 students will be mentoring Grade 4 students of the government school. **We are certain that it will be a two way learning process with our children gaining as much if not more from this unique interaction!**

- **Bon Appétit** -Montessori dedicated the month of July to 'Food'. The first week was devoted to fruits where teachers showed the little ones various physical features of a fruit like skin, seed and pulp. Children even made a scrumptious fruit salad. The second week was dedicated to vegetables and their segregation into different categories such as root vegetables, leafy vegetables or creepers. The theme was further extended to the topic of healthy food. Concepts were reinforced through a picture sorting activity and a game of snake and ladder on food.

- The IT Company, Cisco Systems, conducts an **annual talent outreach program for students of Grade 11** to give them hands on experience in the field of IT development. A team of six students are required to work on a project in collaboration with a group of technical mentors from Cisco. The project commenced on the 13th of July with an on-campus orientation, tour and detailed project discussion with the mentors. The team comprising **AniketSanghi, Ayush Agarwal, Aditya Naidu, Rajdeep Nag, Rajat Agarwal and Kaustubh Roy of Grade 11** will work with the Cisco mentors on their finalized idea for a period of six months.

- **ColourDay:** KG 1 celebrated Colour Day on 15th July 2017, with the little ones dressed in colourful dresses of their choice. The day commenced with a prayer followed by a catchy tune on colours sung in chorus. The little darlings stood in small groups next to paper flowers that matched the colour of their dresses and enthusiastically sang a few lines in praise of the particular colour. The paper flowers had been created by the KG1 children in the week leading up to Colour day using various methods like sponge painting, cotton dabbling, tissue dabbling, bubble painting etc. Later, the children enjoyed sharing colourful snacks lovingly provided by their parents. The concept of colours was further reinforced through a game of Bingo and Four Corners. The day came to a colourful end with the little ones returning home , sunny smiles spread across their faces and special motifs pinned on their dresses!

- **I Know Myself** - 28th July saw the culmination of the EVS topic 'Myself' for the students of KG2. Children were asked to speak on one of the five sense organs or on any one of the internal organs (brain, lungs, stomach or heart). They were dressed in tailor made costumes that perfectly blended with their headgears and props and delivered their lines with poise and confidence. The day came to an end with a game on sense organs which the children thoroughly enjoyed. **Yes! I know myself was the catch phrase of the day.**

- **Orientation Programme for Montessori:** An orientation program was conducted for the parents of 'Seniors' in the Montessori students on the 1st of July. The focal point of the Montessori Seniors' Orientation was to ensure a smooth transition to next grade. Parents were also given an overview of the curriculum and an insight into the assessment pattern.
- **Orientation for Grades 7 and 8** - Parents of students in these grades attended an orientation session, held separately for each group, on the 8th of July. The main agenda was to acquaint parents with the new system of assessment introduced by CBSE this year. Emphasis was laid on the need for students to strike a balance between academic and co-curricular activities in order to develop into independent, confident and well rounded individuals. The role of parenting was dealt with at length and various pointers were shared by the Principal Ms. Jyotsna Nair, especially on the need for parents to be watchful about the amount of time being spent by their wards on social media sites and online gaming, both of which are extremely addictive.
- **A Parent-Teacher Conference for Grade 4** was held on the 29th of July. The aim of these conferences is to enable parents to interact with their ward's class teacher and subject teachers on a one on one basis and find out ways of enhancing their ward's academic performance.
- **Community Outreach Programme** :A visit to the "SamarthanamTrust' was organized for Grade 10 students, to help them understand the working of the institution and develop an empathy towards specially abled children. As a token of their love, our students donated groceries and spent quality time interacting and singing with the kids.

HIGHLIGHTS

Inter- House Events

1. **'Ecotoons'** a cartooning event, was held on held on 30th June for grades 9-12, with the theme 'The change you don't wish to see or the change you don't wish to be.' Three of the best cartoons will feature either in 'The Times of India' or 'The Optimist Citizen'. The winning cartoonist was **ArneshKundu of Grade 12 (Explorers)**, and the **second** place was a tie between **KurchiMitra of Grade 11 (Challengers)** and **Rajdeep Nag of Grade 11 (Pioneers)**.
2. A **'Sandbag Making'** competition was also held on the same day for the students of grade 5. They were divided into groups of 5 – 6 students and one student from each group had to bring a sandbag which was to be decorated in school. The team from **5B** comprising **Sreestha S , Ranya B, Ritvika M, Tanisha P** and **Yashna P** were **adjudged winners, followed** by the team from **5A** consisting of **Ayantika, Divya, Ayush, Muskan** and **Ranvit**. Close behind, **in the third position** was the team from **5C** comprising **Soham, Vihaan, Palak, Vaishnavi, Samridh, Sneha** and **Kashvi**.
3. On 6th July, a **Tattoo Making** competition was held in our school auditorium for Grades 6 to 8. The participants were required to represent the "Mandala" - a spiritual and ritual symbol of the universe in Hinduism and Buddhism, through a tattoo. Over 50 students participated in this event and each participant had a willing volunteer on whom the tattoo was drawn. Artistic skills were brought to the fore, as participants from each of the houses vied to put their best tattoo forward. **AnkitaAnand (Pioneers)** secured the **1st place**, **RuhikaVerma (Voyagers)** came in **2nd**, **ManyaGolash (Challengers)** stood **3rd**. **AyraKhetan(Explorers)** was awarded a **Consolation Prize**.
4. On 22nd July, an **Art** event was conducted for Grades 9 to 12. The participants from the various houses were required to artistically present the well- known story of "Little Red Riding Hood" in one frame, with a twist at the end. The **Voyagers (Maithree V, Megha, Suprita V and Jahnvi K)** bagged the **top spot**, followed by the **Pioneers (Sumedha R., Advaita K., Rajdeep N. and Ashna C)**. The **Challengers (Ashray N, Kurchi M., Pooja R. and Anvita A)** came **third**.

5. **Just A Minute (JAM) & Parliamentary Debate:** The inter-house parliamentary debate and JAM for Grades 9 to 12 was conducted by the Literary Club on 27th July. Each house put forth 3 participants who battled it out in two rounds of debate. NPSK alumni- Amon Bhattacharya and Nikhil Tony Idiculla- were the judges. The Pioneers were adjudged the winners with the Explorers and Voyagers as the Runners-up. In the second event, Just A Minute (JAM), participants were judged on fluency, pronunciation and grammar by Ms.UshaUnnikrishnan and Ms. Neena Das, faculty members, Dept. of English. The School prefect Rahul Bhattacharya played the role of “JAM Master”. The **Challengers**won the event with the **Voyagers and Explorers in the 2nd and 3rd place respectively.**

Class Assemblies

1. The students of Grade **11A** presented their class assembly on the topic **Procrastination** with wry humour. A skit brought to the fore the **ill effects of procrastination while emphasizing on the importance of utilizing time productively.** The students enacted real and surreal situations to highlight the significance of the topic. The thought for the day and the speech drove home the message that success can be achieved only if time is valued.
2. **SeniorCitizens** -Students of Grade **11B**, reminded the audience that it indeed this generation of people who are an integral part of our lives and a link to some wonderful memories. The highlight of the presentation was a moving skit comparing life in an old age home to the one spent by grandparents in the company of their beloved children & grandchildren . The debate, the medley and the poem that followed left one and all pondering as to whether the choice of old age homes for our grandparents and aged parents by the current generation is justified.

3. **An Entrepreneurial Saga** - “Opportunists seek for a chance. Entrepreneurs make new chances.” The students of **10B**, through their assembly, took the audience through an entrepreneurial journey replete with emotions, hardships and challenges in the corporate world with a mime that reflected the undying spirit of entrepreneurs to turn a chaotic unit into a flourishing one. The thought, the speech and the song that followed reminded each one that **“Success is never final, failure is never fatal and the courage to continue is all that matters”**, and it courage is that helps us survive in a competitive world.

4. **Carpe Diem**—Grade **10 C** presented their assembly on 26th July, and showcased how one’s future is shaped by seizing an opportunity at the right time. The dramatized story of an ace badminton player brought home the need to overcome adversities in life and move on unfazed by challenges. The impact of seizing opportunities at the opportune moment was highlighted through interactive choices made by the audience in three different scenes of the skit.

Field Trips

1. **TISB-** Students wait with baited breath to visit TISB, to enjoy nature's bounty, interact freely with their peers and savor the scrumptious food. This month, it was the turn of **Grades 11 and 12** and our **tiny tots** from **Kindergarten** and **Montessori** to let hair their down, bond with peers and explore the vast expanse that these lush green lawns have to offer.

2. **Bannerghatta Zoo** –The students of Grade 2 along were accompanied by their teachers on an experiential learning trip to the Bannerghatta zoo, thereby taking learning beyond the classroom walls. The students observed wild animals in their natural habitat and were presented with the opportunity to interact as well as discuss to their heart's content the topic "Animals", with their peers and teachers. They also enjoyed a picnic lunch and played under the vast green spaces. It was indeed an unforgettable experience for the little ones.

OTHER EVENTS

Continuing Professional Development

1. **Math Workshop** -Ms. Vidyashri, Math Lab In-charge & Faculty member, Department of Mathematics, attended a workshop conducted by The Ramanujan Museum and Math Education Centre (Chennai) on the 30th June and 1st July 2017. The resource person Ms. Meena Suresh, Director of the Museum, emphasized the importance of activity based and hands on learning through aids, games and puzzles, to make learning tangible, visual and enjoyable rather than an abstract concept. She also effectively drove home the point that the innovative use of Math Lab material to the maximum benefit of the students will lead to the emergence of new ideas. This, in turn, will lead to a productive and fun filled learning experience.
2. **Physics Workshop** - Ms. Shari Muraleedharan., Faculty member, Dept. of Physics, attended a workshop conducted by Association for Science Education at Jawaharlal Nehru Planetarium, Bangalore on the 6th and 7th of July. The objective of the workshop was to acquaint Physics teachers handling Grades 8 to 10 with the software “TRACKER” - a free video analysis and modelling tool built on the Open Source Physics JAVA frame work. The software is designed to be used in physics education.

Guest Lectures & Visits

1. **Quizshala**-With the intention of providing new and varied learning opportunities to our students, we have been offering ‘Quizshala’ – a quizzing oriented developmental workshop for the students of Grades 4 to 9 for the last few years. The yearlong programme is conducted by resource persons from Walnut Knowledge Solutions. Mr RaghavChakravarthy from Walnut Knowledge Solutions addressed the students of Grades 4 to 9 in this regard in the June and the classes have commenced in the month of July.

2. **AshokaVenturers** - Volunteers from the 'Ashoka Innovators', a public organization, have started a "Changemaker Curriculum" for **Grade 7 during their Life skills classes**, to empower the students by equipping them with **4change making skills namely, empathy, team work, creative problem solving and collaborative leadership**. The initiative commenced on the 12th of July and has 12 sessions. Two sessions have been conducted so far. While the first session focused on an introduction to change making skills, the second one was on empathy building and practising the skill through a real life simulation of a refugee crisis situation, which is currently the plight of millions of refugees from around the world.
3. An interactive session on **pursuing higher studies in the University of Waterloo, Canada** was conducted on the 29th of July, 2017 by Mrs. Seetha, the India representative of the Math Department at Waterloo. She briefed class 12 students about the nuances of studying in Canada. The university stands apart for the STEM courses and Co-op experience that it has to offer.

We bid you "Slán" - an Irish goodbye till we meet again, as yet another fruitful month has flown by at NPSKRM. We will keep you updated on all our progress, with the belief that 'Success isn't always about greatness. It's about consistency. Consistent hard work leads to success. Greatness will follow. "
