FROM THE CHAIRMAN'S DESK
THE ACADEMIC YEAR 2021 - 22 AT A GLANCE**

March 2022

Dear Parents

Greetings!

The year 2021, in retrospect, was paradoxically similar in a different way. Covid 19 continued to wreak havoc, though even more brutally; Children's summer holiday plans in April- May 2021 turned topsy – turvy, and the academic year continued online for the second successive year. However, the coping mechanism which we began to master the previous year, grew deeper and sturdier. We went not only beyond rethinking and recreating the existing pedagogies but also re-envisioning what was hitherto impossible. Experimentation and diversity gave rise to innovation and opened vistas of opportunities.

In the latter half of the year, we shuttled between being fully online and the hybrid mode and gradually progressed towards near normalcy. We were able to excel as a school even in these difficult times, to a large extent, due to your unflinching support. We immensely thank and appreciate you for constantly being the buttress that strengthened our ecosystem. The pivotal role you played in enabling us to execute every aspect of the academic plan seamlessly, has further reinforced our belief that working in tandem with each other is the best way to ensure a brilliant present and a luminous future for our children.
