STELLAR SUCCESS**NEET & JEE ADVANCED
2025**

We are immensely proud to announce the outstanding achievements of our students in the highly competitive JEE Advanced and NEET 2025 examinations.

• JEE Advanced

Siddharth Mohan - AIR 850, Shashank Acharya 3672 and Mukunthan K U, showcasing exceptional academic excellence and perseverance.

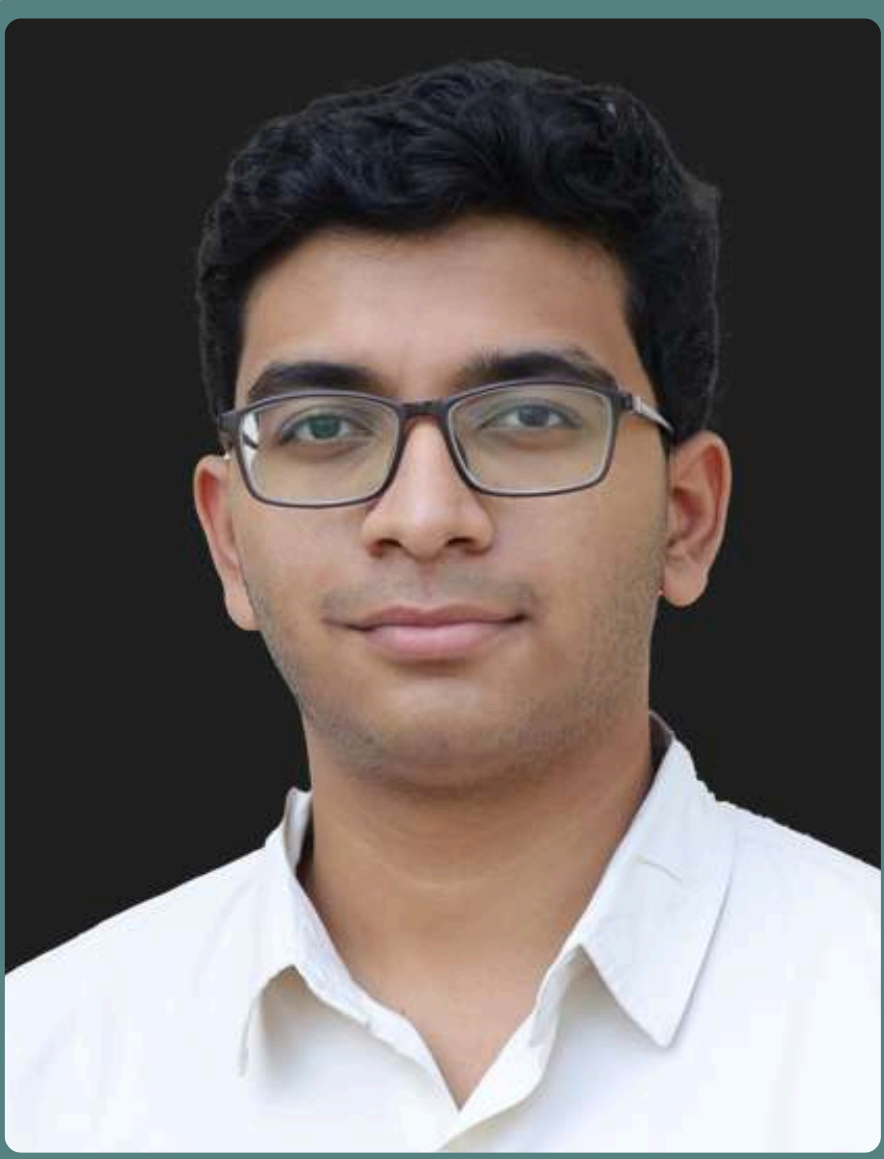

NEET

• Hiban Omer earned a remarkable AIR 3148 in NEET, reflecting dedication and consistent hard work.

Their accomplishments are a testament to their focused effort, the support of their families, and the unwavering guidance of our faculty. We congratulate them and wish them continued success in their future academic journeys.

STELLAR SUCCESS

Sreejani Bhaduri

- Sreejani Bhaduri of Grade 10 emerged as the South Zone Winner at the Vidyarthi Vigyan Manthan Nationals held at IIT Kanpur on 24–25 May 2025.
- Sreejani Bhaduri of Grade 10 secured International Rank 2 in the Logiqids Logical Reasoning Olympiad 2024–25.
- Sreejani Bhaduri of Grade 10A clinched the Top 10 and has received the Honourable Mention at the National Camp of Panini Linguistics Olympiad held at IIIT Hyderabad from 2nd–10th June 2025.

SREEJANI RECEIVING AWARD CERTIFICATE FROM DIRECTOR PROF PJ NARAYANAN OF IIITH

STELLAR SUCCESS

National Level Brain Bee

•Gargi Ghosh, 12B secured an impressive 2nd position at the National Level Brain Bee conducted on 7th and 8th June. She won a trophy and a Lenovo tab. It was a 2-day competition with the toppers of 11 states attending a training session on Day 1 and a long competition on Day 2, starting with an oral quiz, a doctor-patient simulation, a neuroanatomy practical exam and finally a written round.

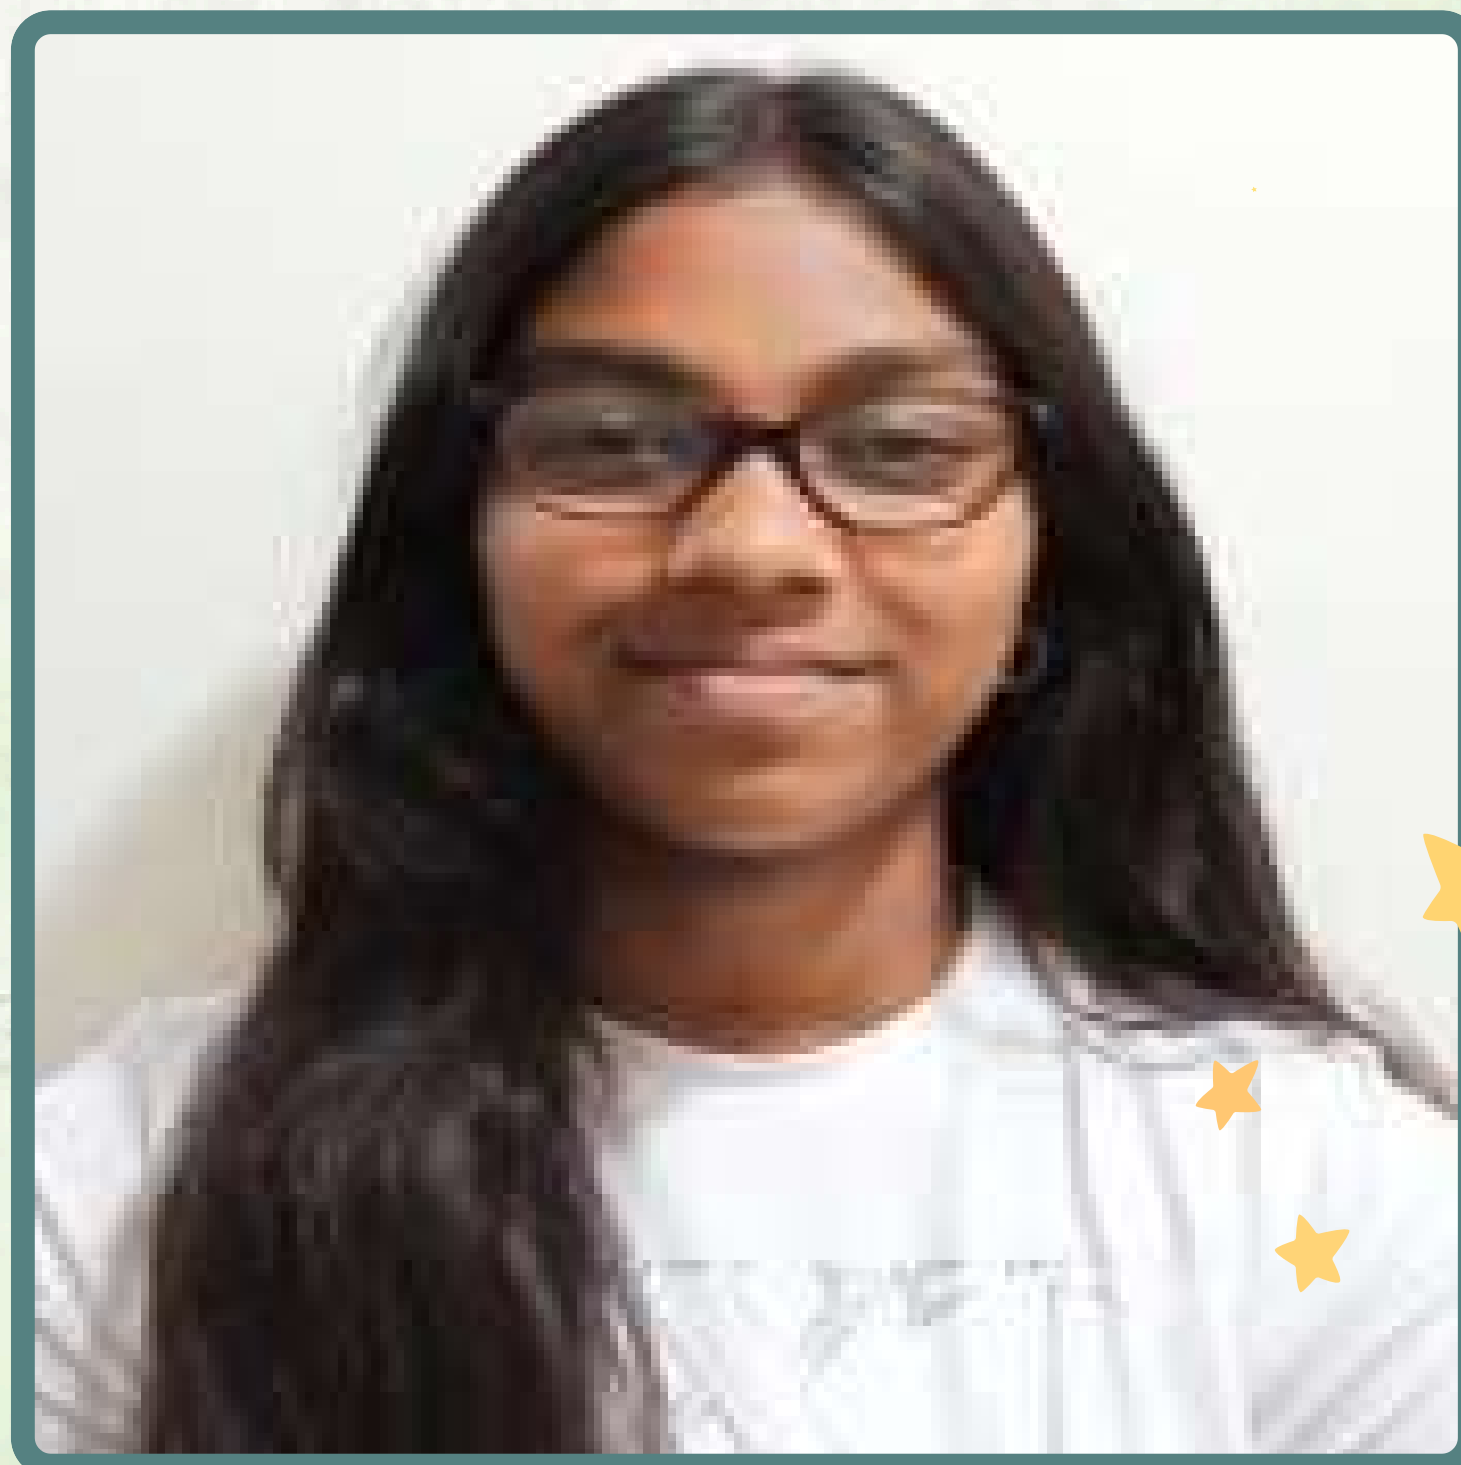

She was complimented for the close finish and for her natural flair for patient interaction and diagnosis.

STELLAR SUCCESS

Speech & Debate India

On 15th April, Hansini Prasanna of Grade 10 represented Speech and Debate India at the JHS Novice Pro-Con Speech Event, an international competition hosted by the National Speech and Debate Association (NSDA). Competing against students worldwide, Hansini secured 1st place globally. She delivered compelling arguments both for and against the complex resolution: “The U.S. federal government should substantially increase its investment in domestic nuclear energy.” Her clarity, critical thinking, and persuasive delivery earned her top honours and recognition on the global stage.

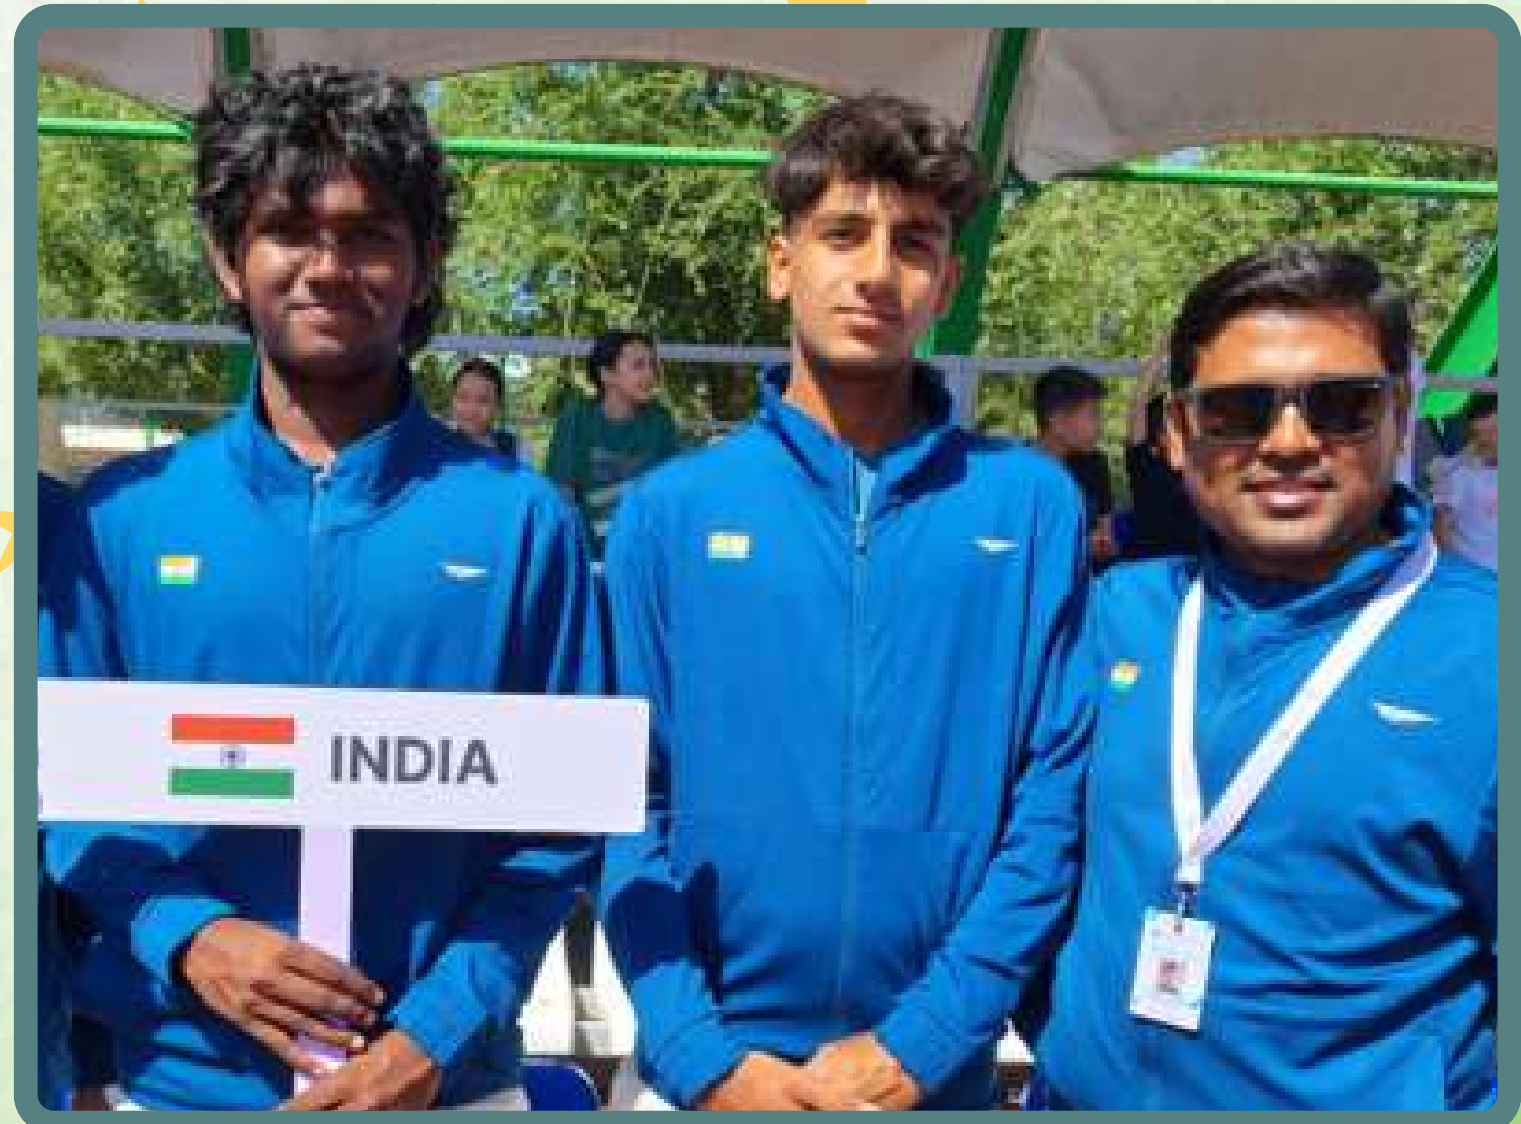

STELLAR SUCCESS

Prakash Sarran

Prakaash Sarran Shines at Junior Davis Cup, Kazakhstan

Prakaash Sarran of Grade 10, who was selected to represent India at the Junior Davis Cup Asia/Oceania Final Qualifying Event 2025 in Shymkent, Kazakhstan, delivered an impressive performance on the international stage. He secured victories against strong opponents from Malaysia, Indonesia, and Pakistan, while narrowly losing to Korea, Uzbekistan, and New Zealand—the latter two in close super tiebreakers during doubles.

Thanks to his stellar performance and consistent dedication, Prakaash has now risen to the coveted position of India's No. 1 in Boys Under-16 Singles. We are proud of his achievement and wish him continued success!

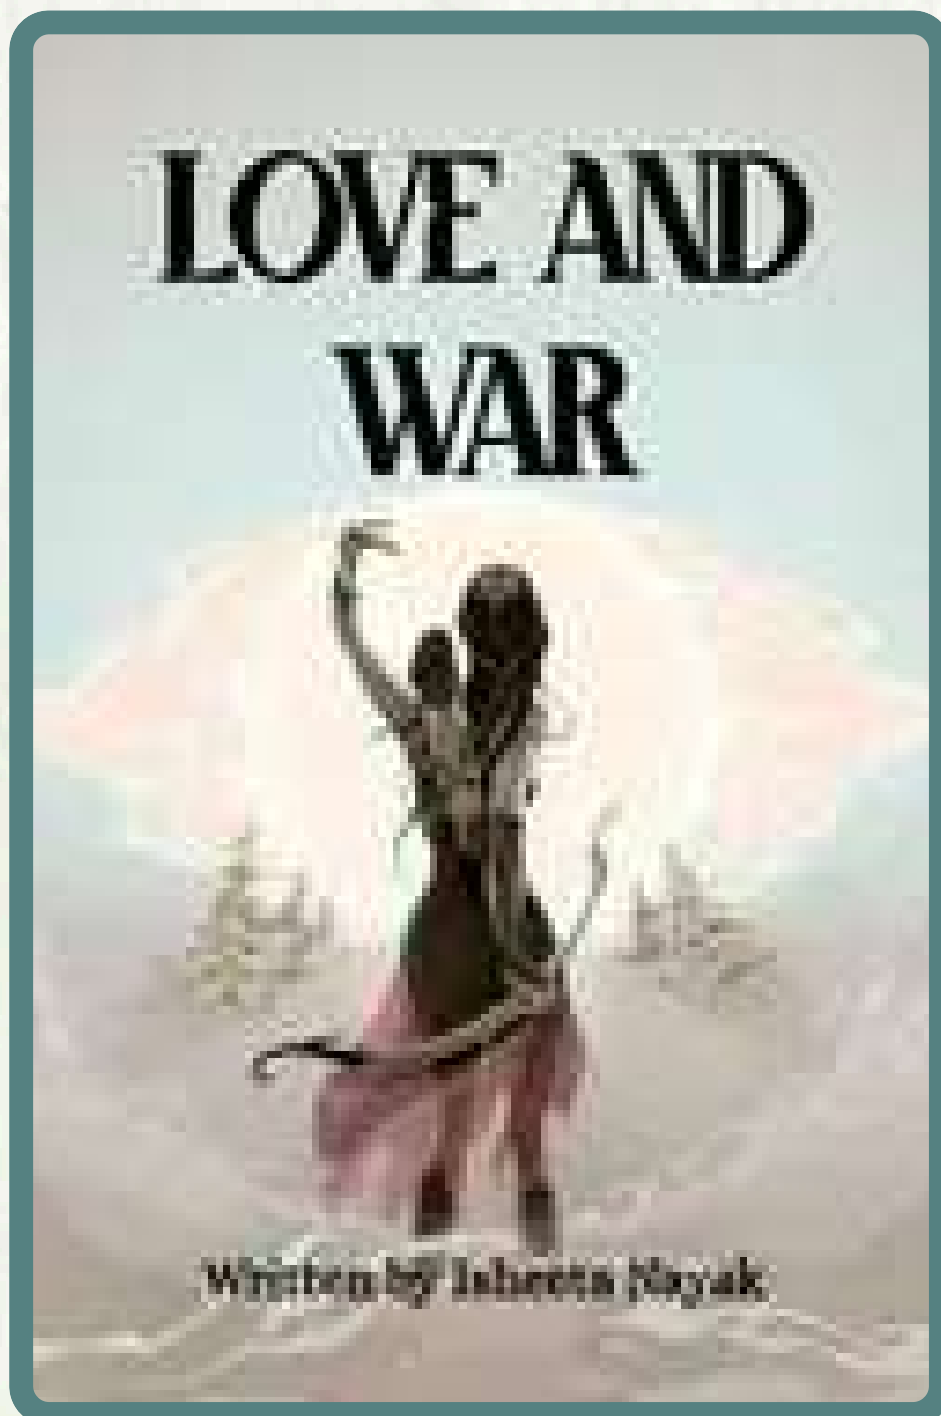

STELLAR SUCCESS

BriBooks- NYAF 2024

• Isheeta Nayak of Grade 10 delivered an exceptional performance at the National Young Author's Fair 2024, organized by BriBooks and Education World.

Her book Love and War ranked #87 on the Pinnacle Bestsellers list and #21 in its genre. She earned three trophies and Gold, Silver, and Platinum Stars for achieving major sales milestones. The book, with an ISBN, was also featured on Disney International.

STELLAR SUCCESS

Anvay Vashney

Anvay Vashney of Grade 9C led his team, Bangalore Bullsharks, to win the National Championship of MATE ROV competition conducted in May 2025. Subsequently, Anvay and his team represented India in the MATE ROV World Championship held at Michigan, USA in June 2025. They were awarded a Challenge Coin by the USA Navy Judges for impressive engineering presentation and innovative BOT design – this is a USA Navy tradition and a significant mark of honour. The MATE ROV Competition uses underwater robotics i.e. remotely operated underwater vehicles.

Anvay also won the following competitions:

- Singapore International Math Olympiad Challenge (SIMOC)– Honourable mention in Math Olympiad Round and Silver Medal in Math Mind Masters round.
- Silver Medal in Asiarope Math Olympiad 2025 held on 23rd March 2025 for class 8th.
- Silver Medal in VANDA National Junior Science Olympiad 2025 (VNJSO) held on May 18, 2025 for class 8th.

STELLAR SUCCESS

BITS- YEB 2025

BITS Pilani Goa campus held their annual Young Entrepreneurs Bootcamp (YEB'25), from 19th to 24th May, 2025. Out of around 1500+ applicants nationwide, only 160 were selected to attend this workshop. Our Grade 11 students, Palak Kamani, Adya Mishra, Prachi Nagar, Anika Gokhale and Shridula Patil got the opportunity to attend this workshop after a thorough multi-stage selection process. Anika Gokhale's team also bagged the third place amongst 33 teams in the overall event for their startup pitch.

STELLAR SUCCESS

Football Champs

Advika S and Tannya Koranne of Grade 8 performed brilliantly in KSFA 'B' Division Football tournament from 7th April- 13th May 2025. While Advika S' team reached semi- finals and got selected for A Division KSFA Tournament to be held in 2026, Tannya Koranne scored 3 goals in the tournament and took her team to quarter-finals. Tannya Koranne also participated in EPC Women's Tournament (6x6 format) on 21st June 2025. Her team Friends United FC won the 2nd place.

Advika S

Tanya Koranne

IMMERSIVE EXPERIENCE

Mayuri Sriram

Mayuri Sriram of Grade 6 participated in the competition organized by Read India Celebration, founded by Raghuram Ananthoj, in partnership with Republic Media Network.

Mayuri clinched 2nd position in Category I. She demonstrated excellence in three rounds posing challenges like real world problem solving, speech and presentations.

Read India Celebration is a vibrant, student-centered festival promoting a growth mindset through reading, thinking, and actionable ideas.

Mayuri Sriram

IMMERSIVE EXPERIENCE

Times of India Summer Internship

Dhriti J (Grade 10 C) was selected to participate in the 8 Day Times of India NIE summer internship program from 9th to 22nd April 2025. By the end of the workshop Dhriti gained a comprehensive understanding of journalism, media and career development. Over the course of the program, attendees acquired practical skills in newspaper production and radio broadcasting, deepened their financial literacy and explored the potential impact of artificial intelligence on future professions.

Guided by the industry experts through a combination of hands-on workshops and stimulating panel discussions, participants gained both theoretical knowledge and real-world experience. Each session was designed to open new avenues of inquiry and professional growth, ensuring that graduates of the program feel prepared to seize emerging opportunities in the media landscape.

MAJOR EVENT

CHARTING NEW PATHS TOGETHER Reopening Day

On 4th June 2025, the new academic year 2025–26 began with a grand welcome as students returned to the campus after the summer vacation. The Principal Ms. Jyotsna Nair addressed the gathering, sharing an exciting lineup of events planned for the year ahead. She proudly announced the school's excellent Board results and used recent national achievements to inspire students — the success of Operation Sindoor, the first batch of 17 women NDA cadets, two naval officers' bold circumnavigation of the globe, and Banu Mushtaq's Booker Prize win. These powerful stories encouraged students to explore unconventional paths, including careers in the armed forces. The principal urged them to dream big and take the road less travelled and make the most of every opportunity the school and life present.

MAJOR EVENT

STUDENT LEADERSHIP ELECTIONS 2025-26

The student leadership elections at National Public School, Koramangala were conducted in two phases, marking a vibrant start to the academic year 2025–26.

On 1st April 2025, elections for the School Prefect post were held, giving Grade 12 students a platform to exercise their right to vote. Nominees Raahil Prakash, Suhaani Roy, and Rhea George presented their manifestos with confidence, appealing to both classmates and teachers. The polling process followed all democratic norms—signing the electoral roll, inking fingers, and casting votes electronically. The excitement peaked with the announcement of the results by the Principal, Ms. Jyotsna Nair, who declared Raahil Prakash (12C) as the School Prefect for the academic year 2025–26. This was followed by elections for House Captains, held in the school auditorium on 2nd June 2025. Candidates from all four Houses campaigned enthusiastically. The polling station, set up in the computer lab, allowed students and teachers to vote via secret MS Forms ballot.

MAJOR EVENT

STUDENT LEADERSHIP ELECTIONS 2025-26

The 2025-26 Students Council:
School Prefect – Raahil Prakash [12C]

House Captains:

- Challengers – Aaryan Biyani [12C]**
- Explorers – Humza Khan [12A]**
- Pioneers – Anushka Venu Kumar [12B]**
- Voyagers – Anirudh Srinivas [12C]**

The democratic process gave students a meaningful opportunity to engage in leadership and civic responsibility, setting a strong tone for the year ahead.

MAJOR EVENT

Investiture Ceremony

A celebration of leadership and excellence, the Investiture and Prize Day 2025 was held at NPS Koramangala on 25th June 2025. It was a momentous occasion honouring merit and bestowing authority on young leaders. The Guest of Honour, Mr. Reijul Sachdev—alumnus from the batch of 2012, author, poet, and researcher at IIT Bangalore—graced the event alongside the Principal Ms. Jyotsna Nair. The ceremony began with the lighting of the lamp, accompanied by a soulful prayer rendered by students of Grades 6–12.

Mr. Sachdev, a former school topper, Science Club President, and lead of the school band, recalled his time at NPS as the best years of his life. Battling schizophrenia for years, his presence was deeply motivational. With humour and heartfelt candour, he shared his

journey of resilience, emphasizing the power of support from family, friends, and the medical community. He felicitated the top achievers of the Grade 10 and 12 Board Exams 2025. The highlight of the day was the investiture of the newly elected Student Council 2025–26. Eighty-three deserving students received their prestigious golden badges from the Guest of Honour, Principal Ms. Jyotsna Nair, and Senior Coordinator Ms. Pramila Menon.

MAJOR EVENT

Investiture Ceremony

A spirited dance performance, *Kaaliya Mardanam*, by Grade 8 students brought alive the theme of good triumphing over evil. In her address, Ms. Satyadeep Shetty reflected on the essence of leadership, citing inspiring figures such as Ratan Tata, M S Dhoni and Chairman K. P. Gopalkrishna.

An invigorating choral rendition of *The Climb* by students of Grades 6–12 set the tone for the ceremonial handover of flags—School, Sports, and House—to the new leaders. The Principal passed on this symbolic responsibility to the newly appointed student heads.

Taking the oath on behalf of the council, newly elected School Prefect Rahil Prakash pledged to uphold the school's values with sincerity and teamwork. In his first address, he expressed gratitude for the nurturing environment provided by the school and vowed to promote unity and inclusivity.

MAJOR EVENT

Investiture Ceremony

The presence of alumni added a charming warmth to the whole occasion and as per the tradition, on behalf of the batch of 2024-25, the last year's School Prefect- Rakshak Jain, Sports Captain- David Allen Louis and President Dramatics Club- Ranvit Bahirwani presented a token of their gratitude to their alma mater. The celebration ended with the singing of the national anthem.

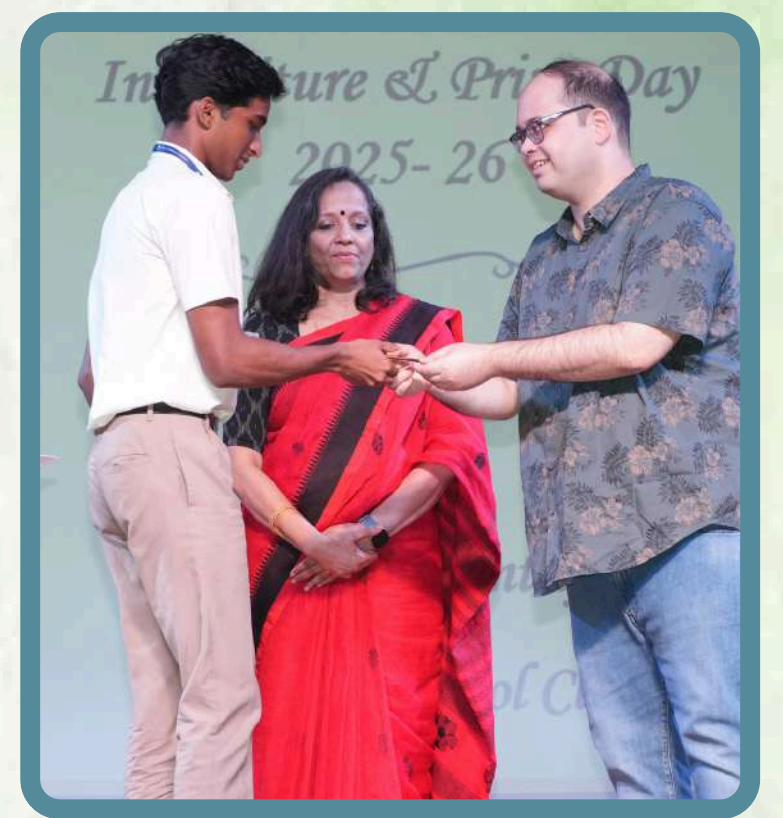

MAJOR EVENT

Investiture Ceremony

MAJOR EVENT

World Environment Day

NPS Koramangala observed World Environment Day on 5th June 2025, aligning with the UN theme: Reducing Plastic Waste. The event began with a moving performance titled Earth Speaks, where the Earth, personified, voiced its anguish over pollution and neglect. A thought-provoking speech followed, urging gratitude and responsibility toward nature.

The school launched several initiatives to promote environmental awareness. The Gratitude Wall encouraged students of Grades 6–10 to express appreciation for nature through classroom displays. A compelling video on plastic pollution highlighted the urgency of the issue. The Green Space initiative assigned each class a patch of campus greenery to care for throughout the year, fostering a hands-on connection with nature. To sustain engagement, Eco Shots — weekly environmental tips — are now shared during morning assembly. The celebration emphasized that environmental care is a year-round commitment, and NPS Koramangala is taking purposeful steps toward a greener future.

MAJOR EVENT

World Music Day

World Music Day was celebrated in NPS Koramangala on 19th July 2025. A cultural show was organised by the music teachers spanning genres and time periods. Soulful renditions and all time classics were performed by students of grades 6 to 12. Another highlight of the event was solo performances from esteemed alumni Vinayaka M, Abhiram Nitin and Shantanu Kadiyali. The power of music was beautifully showcased by every single performance of the day, making it a day to remember.

MAJOR EVENT

International Yoga Day

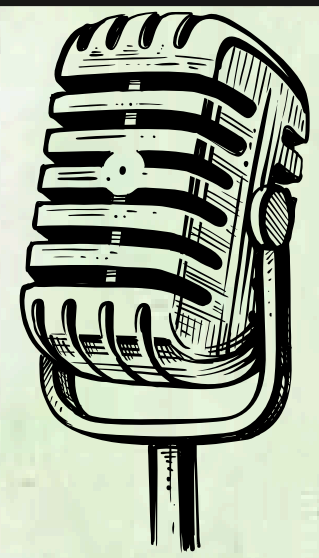

International Yoga Day was celebrated in school on the 20th of June with an ethereal yoga performance by Grade 6 students following which the audience was taken along the paths of Nadi Shuddhi and the Miracle of Guided Meditation by the able volunteers of Isha Foundation Ms. Shivani, Mr. Prajwal and Mr. Suresh. As the staff and students equally immersed themselves in the quiet wonders of yoga, a numinous calm, energy and stillness echoed in our hearts and souls.

Other Events

GRADE CLASS ASSEMBLY: 10B

Miscommunication

On June 17th, Class 10B launched this academic session's class assemblies with their engaging show on Miscommunication. Ms. Ophelia George welcomed the gathering with an eloquent speech on the need to prioritize day-to-day activities for a stress-free life.

The assembly then opened with a chaotic call, showing a failed reunion of a group of friends due to improperly conveyed meeting details. A comedic skit, featuring characters ending up at different misunderstood meeting locations, effectively highlighted the importance of clear communication. The speech emphasized the problematic effects of miscommunication and suggested methods to curb this issue. The captivating, synchronized dance, insightful quiz, and informative news segment further enriched the assembly. The thought and word for the day perfectly aligned with the theme to reinforce the core message and the assembly concluded with a powerful rendition of the song 'Drag Me Down.' Students and teachers alike applauded the effort, marking a memorable start to the session's assemblies.

GRADE 10 B CLASS ASSEMBLY

NPS KONNECT

Exploring the World of FinTech

On 3rd June 2025 students of Grades 10–12 attended an engaging session on FinTech—the fusion of Finance and Technology—led by Paroma Chatterjee, CEO of Revolut India and a visionary leader in the fintech landscape. The presentation explored the evolution of finance from ancient barter systems to today's digital age, highlighting how FinTech is transforming the way we manage money. Key areas such as digital payments, online lending, and blockchain were introduced, along with the benefits of FinTech like speed, accessibility, and innovation.

Through interaction, students also gained insights into skills needed for a career in FinTech, including both technical abilities and soft skills like communication and adaptability. The speaker encouraged students to build habits such as curiosity and continuous learning to stay ahead in this fast-paced field.

The session opened young minds to the possibilities of FinTech and its growing role in shaping the future of finance.

Insights into Careers by Alumni and Toppers

On 26th June 2025, recently graduated students from the Class of 2024–25, along with an alumnus from the batch of 2020, conducted an engaging and insightful career guidance session for students of Grades 9 and 10.

The speakers included Shashank Acharya (JEE Advanced Rank 3672), Mukunthan K U (JEE Advanced Rank 4103), Hiban Omer (NEET Rank 3148), and Ranvit Bahirwani (AILET Rank 3). Joining them was alumnus Abhiram Nitin, who secured AIR 15 in AILET and AIR 18 in CLAT in 2020 and is now a graduate of the National Law School of India University, Bangalore. Abhiram is set to begin his legal career at the Supreme Court of India.

The session covered crucial topics such as stream selection, subject choices in Grade 11, and preparation strategies for careers in engineering, medicine, and law. The speakers shared first-hand insights into each stream—discussing required skills, mindset, and preparation techniques. Their honest and relatable advice, drawn from personal experience, helped students clarify doubts and make informed academic decision.

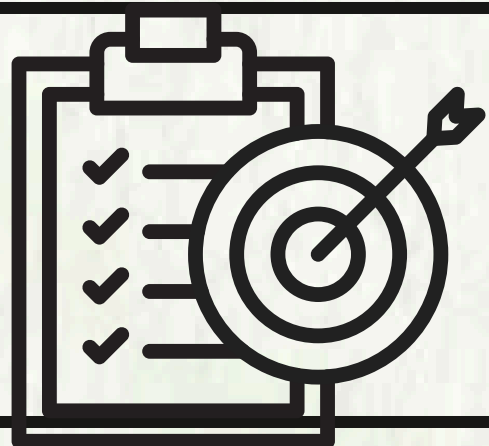

PARENT ORIENTATIONS

● Grades 10 and 12

Parent Orientation sessions for Grades 10 and 12 were held on 8th March 2025. These sessions familiarised parents and students with the academic framework, assessment structure, and key dates. Detailed plans for scholastic and co-scholastic areas, along with types of internal assessments, were shared. Emphasis was laid on building disciplined study habits — such as regular attendance, timely completion of work, and seeking teacher support. Each session concluded with a Q&A led by the Principal, reinforcing collaboration between home and school for a smooth academic journey.

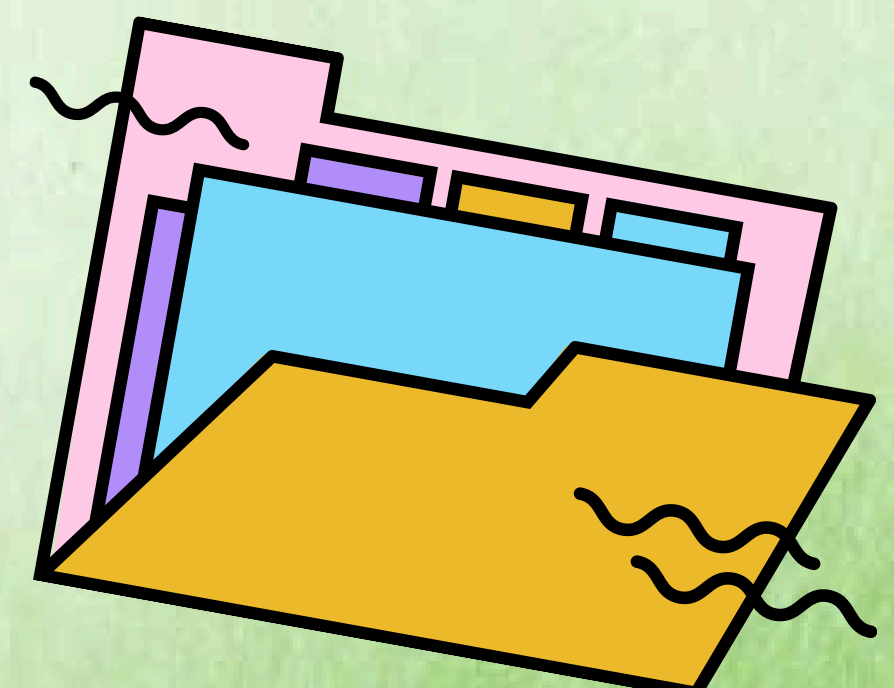

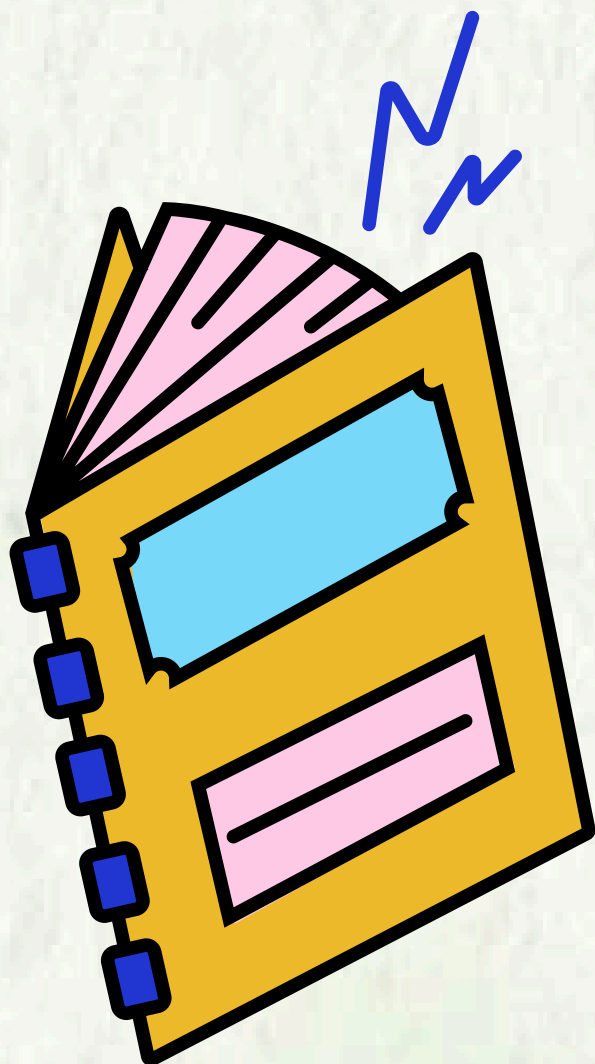

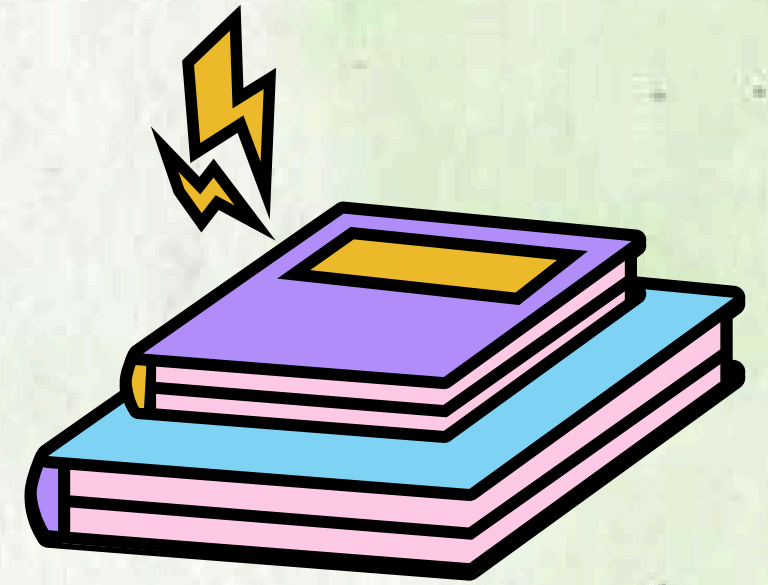

Grades 6, 9 and 11

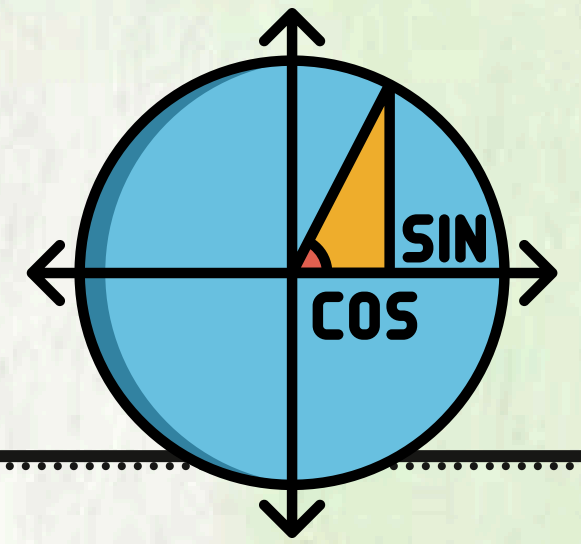

This year, the Parent Orientation sessions for Grades 9, 11 and 6 on 31st May and 14th June 2025 took a refreshing and innovative approach. Following an overview of the academic framework, assessment structure, and key dates, the Principal, Ms Jyotsna Nair addressed the pressing challenges faced by today's adolescents. She emphasized the vital role that both school and parents must play in helping students overcome these hurdles and transform them into strengths.

To provide parents with firsthand insight into the school's effective teaching and learning practices, teachers designed engaging learning stations. These interactive setups allowed parents to experience the strategies and methodologies used in classrooms. Recognizing the importance of students' holistic development, the school also highlighted its pastoral care system. Through a series of pastoral care activities, parents were actively involved in understanding how the school fosters emotional, moral, and social support, thus becoming essential contributors to the student support ecosystem.

PARENT ORIENTATIONS

Exploring Trigonometry Like Never Before!

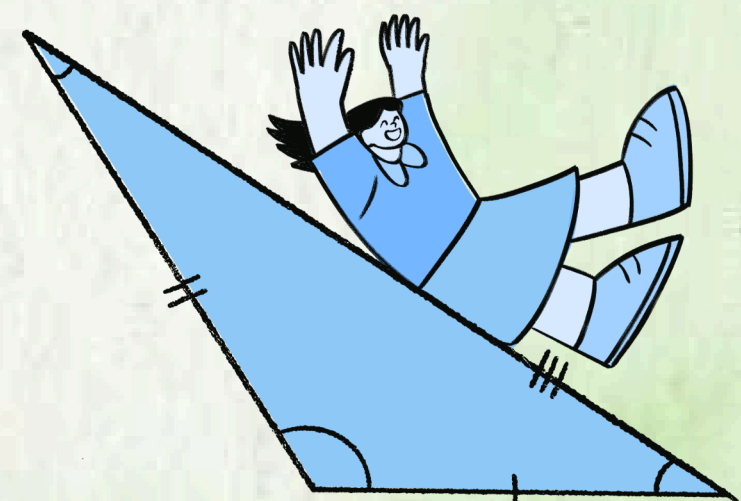

What if trigonometry could be fun, visual, and as thrilling as a Ferris wheel ride? That's exactly what students experienced in a unique four-part workshop designed to bring abstract math to life. It was conducted by Mr. Kiran Ananthpur Bacche, co-founded of Dhimath, an organization focused on making mathematics learning joyful and accessible for all ages, from 11th June to 27th June 2025.

In the first session, sine and cosine functions were introduced through the metaphor of a Ferris wheel — with height and shadow showing students how circular motion becomes mathematical beauty. A custom-designed trigonometry board helped students visualize all six trigonometric functions at once. Next came the Game of Dots and Antidots, where solving identities felt like a strategy game. With characters like Captain America and Thanos making surprise appearances, math became both playful and powerful.

In the third session, students unlocked the secrets of division — from arithmetic to trigonometry — through clear visual patterns, seeing how everything in math connects. The final session turned multiplication into movement! Students saw how shifting dots in different directions represented multiplication by sine, cosine, and more — no rote learning, just deep understanding. By the end, students weren't just solving problems; they were seeing math from a whole new perspective!

TRIGONOMETRY SESSION

$$\sin(0^\circ) = 0$$

$$\sec \theta = \frac{1}{\cos \theta}$$

Event

Grade 10 B community Visit

As part of their SEWA project, students of Class 10B visited the Little Sisters of the Poor Old Age Home in Hosur—an international congregation dedicated to caring for the elderly poor with compassion and dignity.

The students were warmly received by one of the sisters, who guided them through the Home and shared how the residents engage in meaningful activities like helping with laundry, making paper bags, preparing vegetables, crafting, and enjoying TV time. The Home provides three wholesome meals a day and is supported by donations and visits from volunteers and students. To brighten the day, the students gifted handmade cards with thoughtful messages, which brought smiles and warmth to the residents.

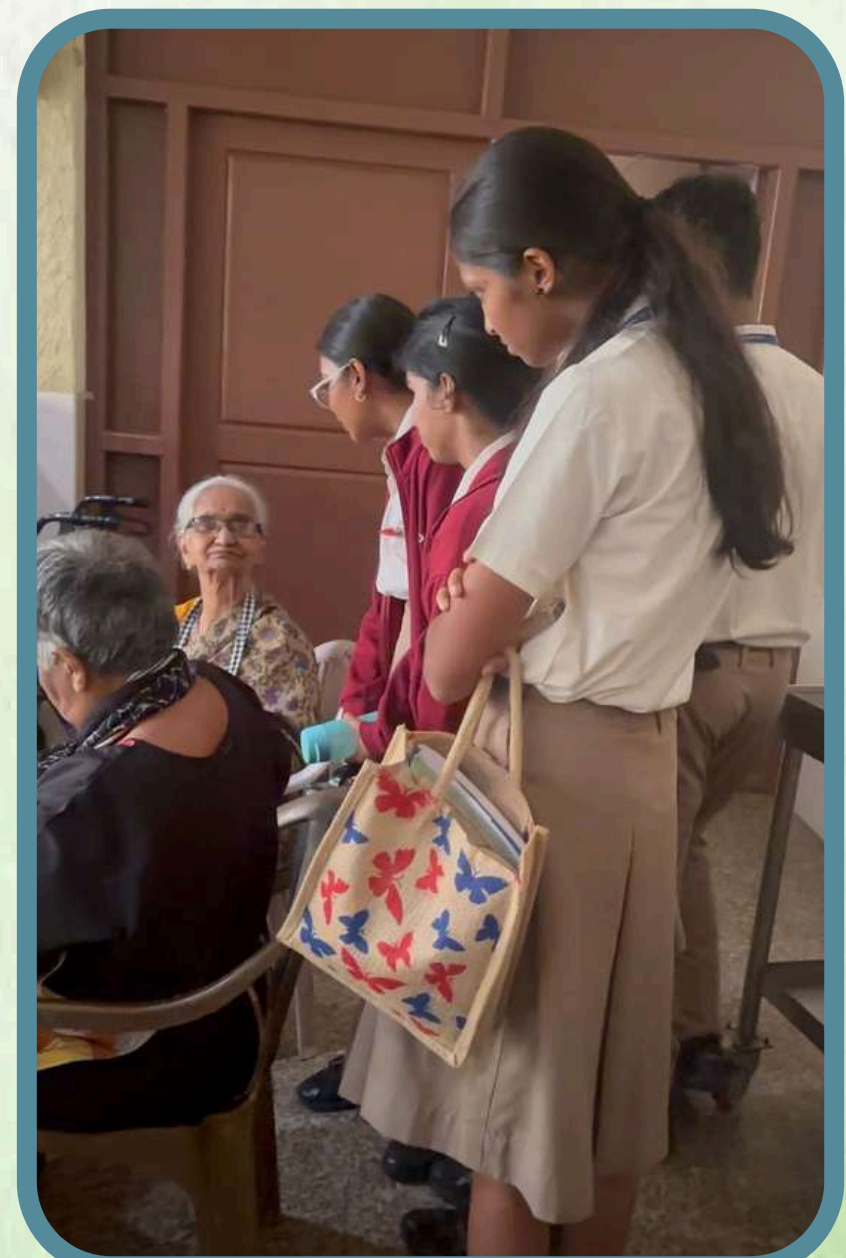

The visit left a lasting impact, teaching the students valuable lessons in empathy, service, and the importance of respecting and caring for the elderly.

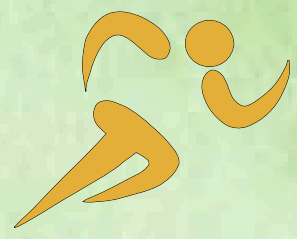

Event

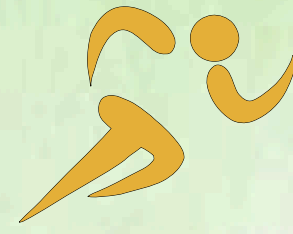

Grade 10 B community Visit

TRIP

A Day @TISB

The TISB trips were facilitated for Grades 6-12 on 13th June, 20th June and 27th June 2025.

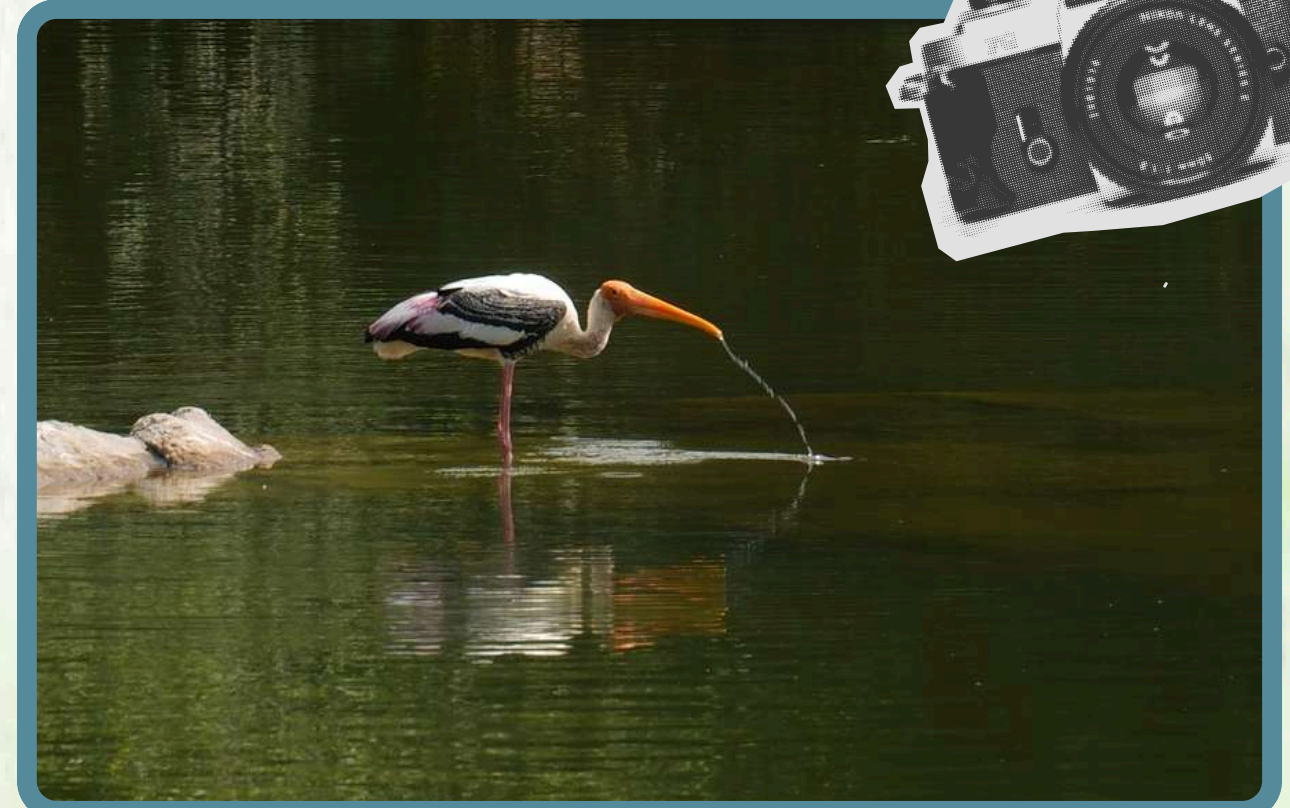

Prelims and semifinals of athletic events, i.e. 100m, 200m, and 400 m and the Shotput event were conducted during the trip. After the selections in the first half, students enjoyed the day playing volleyball, basketball, cricket, football, badminton and more.

PHOTOGRAPHY

VPA Excursion

The Photography VPA excursion on 7th June began early, but the effort was well worth it. The first stop, Ranganathittu Bird Sanctuary, offered a serene setting where silence helped students connect deeply with nature. At the Payana Car Museum, even non-enthusiasts were intrigued by the evolution of automobiles. The final destination, the iconic Brindavan Gardens, provided stunning visuals that boosted students' confidence and creativity. From bonding moments to enhanced photography skills, the day proved transformative. What began as a sleepy morning turned into an unforgettable journey filled with learning, laughter, and lasting memories.

TEACHER SPEAK

Ms. Satyadeep Shetty

What does Leadership mean?

Many believe it's about power, position, or popularity.

But real leadership is something much deeper — it's about character, impact, and the attitude we leave on others.

When we look around, we find so many inspiring examples of leadership.

For example, the majestic lion...what fascinates us the most is that the lion is neither the tallest animal in the jungle, nor the heaviest, nor the most intelligent — yet it is known as the King of the Jungle. Why?

Because of its attitude.

Attitude is the belief that we can.

People may hear our words, but they feel our attitude.

Here's another story—a group of senior managers were on their way to Nasik when their car got a flat tyre. While the driver started fixing it, the others took a break to relax and stretch.

Then, something happened that shocked them all.

They saw their CEO helping the driver change the tyre — no hesitation, no complaint.

TEACHER SPEAK

This CEO, was none other than, Mr. Ratan Tata.

True leadership isn't about doing extraordinary things — it's about doing common things in an extraordinary way.

Our own Chairman, Dr. Gopalkrishna, is living proof of this.

A young man in his early twenties, going door to door, urging parents to send their children to a new school that had just opened in their neighbourhood. At a time when computers were rare in schools, he invested in the best technology for his students.

The rest, as they say, is history.

Even today, at an age when most people hang up their boots, he works with the energy and zeal of a teenager.

Therefore, we must remember- Leadership is not about wearing a golden badge or enjoying a new-found celebrity status. It is about living up to the trust that your parents, teachers and and classmates have placed in you.

Wishing everyone a year filled with learning, growth, and purpose.
