Term1 Kindergarten PTM
22nd August 2026

The Term 1 Parent-Teacher Meetings for KG1 and KG2 provided an important platform to strengthen collaboration between home and school. During the sessions, teachers shared detailed observations on each child's progress in early literacy, numeracy, and social-emotional development. Parents gained valuable insights into their child's learning journey, while educators received feedback that helps align classroom strategies with home support.

The PTMs highlighted the importance of open communication and partnership in nurturing confident, curious, and joyful learners. By celebrating milestones together, parents and teachers continue to build a strong foundation for lifelong learning.

"Together For Every Child's Growth"

Kindergarten 1 Show & Tell
21st to 24th September 2026

Community helpers are the heart of society, and our little ones stepped into their shoes with immense pride during the Show and Tell.
Dressed as doctors, firefighters, police officers, farmer, chef and other everyday heroes, children spoke confidently to their peers about how these helpers support our daily lives.
The activity gave each child a platform to build public speaking skills, overcome stage fear, and shine.

"Little Voices Honoring Everyday Heroes"

Kindergarten 2 Show & Tell
21st to 25th September 2026

Our 'little weather experts' brought the classroom to life with colour, creativity, and seasonal cheer. Dressed up as the five seasons - Spring, Summer, Monsoon, Autumn, and Winter; children entered with bright smiles, colorful props, and boundless enthusiasm.
From sunglasses and sun hats for Summer to pretty flowers for Spring, umbrellas and raincoats for Monsoon, falling leaves for Autumn, and cozy sweaters and scarves for Winter, every detail was thoughtfully presented. Each child took the spotlight, presenting their seasons with confidence and charm.

Trip to Ranga Shankara

Our first field trip outside the school was a day filled with excitement and joy; held on 17th August for KG1 and 9th September for KG2. The little ones were thrilled to step out with their teachers and friends. With bright smiles and bubbling enthusiasm, they happily boarded the bus, ready for their adventure.

The highlight of the day was a delightful puppet show, where colorful puppets, theatrical performances, lively music, and engaging stories brought endless giggles and wonder. As the show began, little eyes sparkled with amazement. The children laughed, clapped, and stayed fascinated throughout, soaking in every magical moment.

More than just a trip, it was a wonderful opportunity for our young learners to experience the magic of theatre, discover something new, and create beautiful memories together. Truly, it was a day of joy, learning, and shared laughter.

Onam Celebrations
25th August 2026

The Kindergarten Block came alive with festive cheer as we celebrated Onam. Dressed in elegant cream and gold traditional attire, our little ones entered the classrooms with bright smiles and eager curiosity.

Together, the children created a vibrant pookalam using fresh, colorful flowers, filling the space with joy and teamwork. To commemorate the day, they crafted their own miniature chamaras (King Mahabali's fan) and olagudai (Vamana's umbrella), which they proudly carried home as keepsakes from the celebration.

Adding to the festive spirit, the children also relished Kerala's special snacks, making the day a delightful blend of tradition, creativity, and cultural experience.

The event beautifully blended heritage with hands-on learning, giving our young learners a memorable celebration of community and culture.

Dussehra Celebrations
9th October 2026

This week, our KG 1 and KG 2 classes came together for a vibrant celebration of Dussehra, discovering how the festival is joyously observed across different corners of our incredible country.

Our little ones were introduced to the grandeur of Durga Puja pandals in West Bengal, the majestic Mysuru Dasara processions and Gombe Habba (doll displays) in Karnataka, the fiery Ravana Dahan tradition in Delhi, and the spirited Garba and Dandiya nights of Gujarat.

Through engaging stories, joyful dances, and playful activities, children learned that while traditions may differ, the spirit of good triumphing over evil unites us all.

It was truly heartwarming to watch our kindergarteners take their first steps in appreciating India's rich cultural diversity, celebrating values of courage, unity, and joy.

"Goodness Unites Us All..."

wishing you

Happy Holidays
